TERM

Service under this Rate Rider requires a Customer Service Agreement that is consistent with the provisions hereof, including a one-year term.

If during the term of the CSA a rate for which the Customer qualifies should become available that is more cost effective for the Customer and to which this Rate Rider does not apply, the Customer may elect to change to the more cost effective rate with no penalty under this Rate Rider except that the incentive hereunder shall cease when the change is made effective.

GENERAL

This Rate Rider is not available to a new Customer that results from a change in ownership of an existing establishment or the relocation of an existing establishment. However, if a change in ownership occurs after the Customer enters into a CSA under this Rate Rider; the successor Customer may fulfill the balance of the CSA with an appropriate assignment. This Rate Rider is also not available for renewal of service following interruptions for reasons such as equipment failure, temporary plant shutdown, strike, economic conditions or an acceptable Force Majeure event. Service under this Rate Rider is subject to rules and regulations approved by the Alabama Public Service Commission. During the term of the CSA, the incentive is waived and will not apply in any month in which the Customer is charged the Minimum Billing under the applicable rate.
