

AUGUST BID SERVICES REPORT

Although we have shifted to a more uniform look down Dauphin Street, our private plantings are really popping with color!

Our horticulture team has worked hard to keep the plants thriving even in extreme temperatures that have brought excessive heat warnings almost daily.

Helping a stranded patron

SUMMARY

For us, safety comes in many different forms. It could be reporting a downed light pole, helping a stranded motorist that had run out of gas, reporting a massive limb before it injured someone, or just providing information for patrons to get to their destinations safely.
