

## Resolution

To institute a Complete Streets Policy to increase the usability of streets within the City of Mobile for all modes of travel for all citizens of all ages in the community

Whereas the City of Mobile values the right of all citizens to have access to mobility and an active lifestyle; and

Whereas the City of Mobile wishes to ensure that all users of our transportation system are able to travel safely and conveniently on all streets and roadways within the public right-of-way in the city; and

Whereas the program *Complete Streets* demonstrates that streets should be designed and operated in a manner that is safe and accessible to all users, including pedestrians, bicyclists, transit riders, motorists, commercial and emergency vehicles, and for people of all ages and abilities; and

Whereas, *Complete Streets* supports economic growth and community stability by providing accessible and efficient connections between home, school, work, recreation, and retail destinations by improving pedestrian and vehicular environments throughout communities; and

Whereas, a *Complete Streets* Policy ensures that the entire right-of-way is routinely designed and operated to enable safe access for ALL users;

Now, Therefore, be it resolved that the City of Mobile adopts this *Complete Streets* resolution and supports the design and construction of streets to enable safe access to all users, including pedestrians, bicyclists, transit riders, motorists, commercial and emergency vehicles, and for people of all ages and abilities; and that the City of Mobile will consider these practices when undertaking construction, reconstruction, and repair of our roadways.
