

Dear Lynnora,

Downtown Mobile is a busy and fun place to be. There is much to be found here, except of course, Virginia's Health Foods! We passionately want Virginia's to become a part of our community. For years, the 20,000 folks who live and work in Downtown Mobile have expressed a desire to have a market in the neighborhood, especially one with a healthy café. Won't you consider the many opportunities that await Virginia's in downtown?

Sincerely,
