

# Volunteer Opportunity

## Storm Drain Marker Placement for Downtown Mobile

**When: Friday, August 3- 8:30 a.m. – 11:30 a.m.**

**Where: Downtown Mobile Alliance Office, 261 Dauphin Street**

Volunteers will arrive at the Downtown Mobile Alliance office for a brief orientation, and then will hit the streets of downtown to attach markers to storm drains! Volunteers need to be at least 15 years of age (service hours available for high school students). All tools will be provided and volunteers will only need to bring a refillable water bottle to stay hydrated. These markers provide a great opportunity to raise awareness about anti-littering and maintaining the health of local waters. Come be a steward of Mobile Bay! Register online at Hands on South Alabama: [http:// handsosal.org](http://handsosal.org). For more information contact Valerie Kleinschmidt at 251-434-8498 or [vkleinschmidt@downtownmobile.org](mailto:vkleinschmidt@downtownmobile.org).
